

NEMC's Weekly Note: Week 4

What's Been Happening Around Camp! We had a fantastic end to our third week of camp! Last Tuesday evening, we held an exceptional final Faculty Recital of the session celebrating chamber music. On Wednesday evening, many students showcased talents at our annual Talent Show. Our second Student Honor Recital took place on Thursday evening, and on Friday, our concert groups performed at Alumni Hall, while our symphonic groups performed at the Bowl on Saturday afternoon. Additionally, this weekend, campers enjoyed various cabin activities, a DJ dance, and a favorite NEMC tradition: Camper Olympics!

Looking ahead to this week, campers will compete in "Song Comp," a competition during which each cabin selects two songs to perform: a serious song, performed traditionally as written, and a parody, in which campers change the lyrics to pertain to NEMC themes. Additionally, we have two Student Honor Recitals this week on Tuesday and Thursday (which includes our Concerto performance!). The session will conclude with our traditional Banquet on Friday during which several honors will be given, and our final campfire and candlelight ceremony on Saturday.

Pick- Up Procedures

Check-Out Procedures:

- As we head into the last week, we will be reminding campers to check the "lost and found," retrieve items from the clotheslines, and begin to pack their belongings so that they leave nothing behind. It is very difficult to locate items once the next camp starts, so we strongly encourage families to remind their children to double check their packing lists and follow NEMC check-out processes. NEMC cannot mail items that are left behind!

Check-Out Time:

- Sunday between 8:00-9am. All campers must depart no later than 9am so that our staff can prepare for the NEMC Intensive and Prelude Programs. Campers taking the Boston/Portland bus will be instructed to check-out Sunday after lunch so that check-out does not interfere with the evening campfire and candlelight ceremony.

Check-Out Process:

1. All campers must complete and sign the cabin check-out form with a counselor's signature. Counselors will go through the cabin with individual campers and sign off that they have their instrument, dress clothes from the closet, shoes from porch, nothing on the clothesline, bedding, check all drawers, check personal space and lost and found. Campers must complete and sign the check-out form!
2. Pick up all medications from the health center.
3. Final check-out at the office. **YOU MUST STOP AT THE OFFICE TO OFFICIALLY CHECK-OUT!**

Mailing Center:

- If your camper is shipping belongings home, the Mailing Center will be here to pick everything up on Monday morning. We will work with your campers on getting everything packed and where it needs to be. In order to make sure everything runs smoothly, please go to the Mailing Center website: www.mailingctr.com and click on the Camps & Colleges tab and fill out the form. A second company we recommend is <https://www.lugless.com/>. If you have any questions, give the camp office a call and we will guide you through the process!
