What's Been Happening Around Camp!

NEMC Intensive Programs and Prelude are officially underway! Campus is alive with music as campers completed their auditions and first few rounds of rehearsals. Campers have had a successful first few days of classes and rehearsals, as well as the opportunity to engage in community activities including Monday's Contra Dance and Tuesday's Dual Cabin. On Wednesday night, the campers enjoyed "Camper Games" and tonight, students have "Optional Activities" which include a CMI Faculty Recital. Coming up this weekend, the Composition students will get to work on their recordings with the Intensive Faculty and begin collaborative rehearsals with the Chamber Music Intensive students. On Monday, campers will enjoy a day off and go on fun trips around the area including a mountain climb and canoe trip around Snow Pond!
