

 **NEMC's Weekly Note 2** 

What's been happening around camp! We had a wonderful end to our first week and started our second week of camp! Last Wednesday and Thursday evenings, campers enjoyed various activities across campus and on Friday night, campers participated in an iconic Lip Sync Battle! On Saturday evening, students had optional activities and on Sunday, faculty performed and recorded pieces composed by our remarkable students in our Composition Intensive. Later that evening, all students participated in a campfire down in the grove and sang some of NEMC's favorite songs. On Monday, campers had a much deserved day off, and had the option of going hiking, canoeing, or to the beach. Yesterday, students had classes, rehearsals, and lessons commenced. Tonight, we look forward to performances of many of our talented teachers in a faculty recital!

Check-Out Information

Check-Out Procedures:

- As we head into the last week, we will be reminding campers to check the "lost and found," retrieve items from the clotheslines, and begin to pack their belongings so that they leave nothing behind. It is very difficult to locate items once the next program starts, so we strongly encourage families to remind their children to double check their packing lists and follow NEMC check-out processes. NEMC cannot mail items that are left behind!

Check-Out Time:

- Monday between 8:00-9am. All campers must depart no later than 9am so that our staff can prepare for the NEMC Intensive and Prelude Programs. Campers taking the Boston/Portland bus will be instructed to check-out Sunday after lunch so that check-out does not interfere with the evening campfire and candlelight ceremony.

Check-Out Process:

1. All campers must complete and sign the cabin check-out form with a counselor's signature. Counselors will go through the cabin with individual campers and sign off that they have their instrument, dress clothes from the closet, shoes from porch, nothing on the clothesline, bedding, check all drawers, check personal space and lost and found. Campers must complete and sign the check-out form!
2. Pick up all medications from the health center.
3. Final check-out at the office. **YOU MUST STOP AT THE OFFICE TO OFFICIALLY CHECK OUT!**

Mailing Center:

- If your camper is shipping belongings home, the Mailing Center will be here to pick everything up on Monday morning. We will work with your campers on getting everything packed and where it needs to be. In order to make sure everything runs smoothly, please go to the Mailing Center website: www.mailingctr.com and click on the Camps & Colleges tab and fill out the form. A second company we recommend is <https://www.lugless.com/>. If you have any questions, give the camp office a call and we will guide you through the process!
