NEMC's Final Core 2025 Note

On behalf of the New England Music Camp administration and our full team here at camp, we would like to thank you for sharing your child with us at camp for the core session. We know that it requires an enormous amount of trust to send your child away for four weeks, and we are grateful that you allowed them to join us in this magical place. Every camper this summer brought so many different experiences to our family, and the growth we experienced together was incredible to witness. We know that the music they collaborated on pushed many of them far beyond their expectations, and the friendships they have forged will be with them for a lifetime. We truly hope that all of them will return next summer to continue to share the magic of NEMC!

Sharps and Flats Update

This year, Sharps and Flats (our camp yearbook), will be sent via PDF for your convenience. This allows us to do the entire project in color and send it out expediently. Please expect to receive this mid-August. Thank you!

The Legacy Campaign

Thank you for your continued support of New England Music Camp. **We have officially hit the 77% mark of our $1 million goal!**

As we look to close out the NEMC Legacy Campaign, our next round of gifts will begin the establishment of the **NEMC Legacy Endowment**. Every dollar raised in the final months of this campaign will go directly to ensuring future generations get to have the same magical experience your family just had. This is the best opportunity to leave a lasting Legacy at NEMC for years to come! Join us in Composing the Future of NEMC!
